Deliberation Agenda

A. Consider and possibly act on the presentation of the FY 2021-2022 Audit given by Chris Turner. Mr. Turners states the city is in good shape financially and has excellent procedures for documentation. There were very few journal entries to make. There was one finding regarding the Grant account that was nothing to be concerned about. When an account has very little activity, it is easy to make an error when entering and a simple journal entry was made to correct the error. There are no citizen comments. Councilperson Athey makes a motion to accept the FY 2021-2022 Audit. Councilperson Robertson seconds the motion. 4 ayes and 0 nays. The motion is passed unanimously.

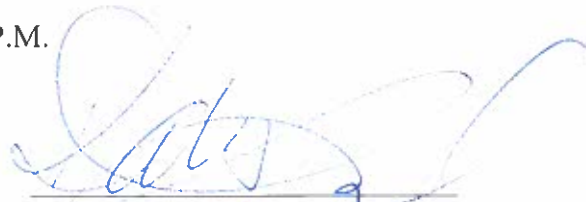

B. Consider and possibly act on the minutes of the City Council meeting held on April 9, 2024. No citizen comments. Councilperson Keeney makes a motion to approve the minutes as written. Councilperson Robertson seconds the motion. 4 ayes and 0 nays. The motion passed unanimously.
