Northbound US 377 Traffic Shift in Cresson

October 31, 2024

CRESSON – Weather permitting, northbound US 377 traffic will shift onto the new US 377 Relief Route mainlanes Friday, Nov. 1. To access SH 171 and the city of Cresson, northbound motorists will take the new exit to Business 377. Access to and from Old Granbury Road will also be adjusted during this traffic shift. Drivers should use caution and follow all directional signs within the work zone.

Crews will be working throughout the day to finalize and open various lanes and exits within the work zone. TxDOT encourages attention to all warning signs within the work zone as crews complete this project as quickly and safely as possible.

We recognize weather delays could impact the opening and will update the public if a weather delay occurs.
